A letter of invitation for participation in science conference
STUDKON 5 – Science and students

Respected,

The Student's Union of the Faculty of Philosophy in Niš is organizing a student conference named STUDKON 5. The conference will be held **on November 9, 2019** in Niš and it is planned to be organized in at least two sessions - one focusing on social sciences and the other on linguistics and literature - or in several sessions, depending on the number of applicants. The conference proceedings will be published by the Faculty of Philosophy in Niš.

The organizers wish for the conference to help establish a lasting relationship with related faculties, as well as provide students with a great opportunity to publish their research. So far, The Faculty of Philosophy has organized numerous conferences, but it was not until 2015 that the student conference was held for the first time, as a component of NISUN.

With the hope of preserving the tradition and improving with each year, as well as being even more successful and having even more participants, we would like to invite you to contribute to our conference. Please submit your applications, including the title of your paper and a brief abstract (for instructions on writing an abstract [click here](#)) via e-mail **by August 31st, 2019** to studkon@filfak.ni.ac.rs. Participants will receive letters of acceptance, as well as further information on the conference program **by the 1st of October, 2019**. All papers must be supported by a recommendation from a mentor before publishing.

Best regards,

Organising Committee of science conference
STUDKON 5 – Science and students.

In Niš,
14 June 2019
